

The design of the new EcoTank printers makes them sleek and compact. With the tank integrated into the printer, these printers have the smallest footprint\* amongst all brands of ink tank printers. Enjoy spill-free refilling with individual bottles which have unique nozzles that fit only into their respective tanks. Auto-duplex printing\*\* affords users up to 50% savings on paper costs by printing automatically on both sides of paper. Remain connected with the option to print wirelessly over network or directly from your mobile devices using Wi-Fi Direct. Rejoice in exceptional print quality with the use of pigment black ink which produces water and smudge-resistant printouts.

EcoTank L4150 All-in-One Printer

EcoTank L4160 All-in-One Printer

Ultra-high Page Yield

Duplex Printing\*\*

Borderless Printing

Epson Connect

\*The total Colour CPP including black ink is 32 paise.

Each printer comes bundled with a starter kit of 1 x 127 mL bottle of black pigment ink and 3 x 70 mL bottles of colour ink.

## Superior Savings with Auto-duplex\*\*

Save up to 50% on paper cost with auto-duplex function which reduces paper consumption.

#### **Seamless Connectivity**

Share your printer over Wi-Fi, Wi-Fi Direct, and print on the go via a suite of Epson Connect features.

# **A4-size Borderless Printing**

**ENGINEERED FOR BUSINESS** 

Large-size photo printing is made possible with borderless printing up to A4 size.
